Lord Hanuman loves his devotees a lot. Those who pray to him always get a lot of strength, courage, luster and intelligence. They get rid of any diseases immediately. They get all comforts in life.

With the grace of Lord Srinivasa, till now I have written 15 books about Lord Venkateswhwaras Leelas. . Among these 14 are based on Leelas of Lord Srinivasa. All these books are being read daily by many devotees in India and abroad. All this is Lord Srinivasas grace. All, those who read these books are having a lot of good things happen.( Some get good jobs, success or promotion in jobs, success in business, the unmarried, get married, those who want children get children etc.) They are all living very happily.

I wrote the vrathams Shri Venkateshwara Vratha Kalpam, Sri Lakshmi Narasimha Vratham. Shri Subramaniam vratam, Shri Maheswara Vratham, Shri Shubha Duga, Shri Sai Raksha Vratham, Shri Rama Raksha Vratham, Shri Gyana Saraswathi Vratham. These vrathams are liked by many devotees a lot. These 8 vrathas are being performed by several devotees in their homes often. They are also being performed in various temples all over the world. What greater fortune can there be?

Many devotees asked me to write the Leelas of Lord Anjeneya. I said I can do it only with the grace of the Lord. After so long, I got the grace of Lord Hanuman. One day early in the morning Lord Hanuman came in my dream. The divine lustre was undescrivable. That day Ananda Anjeneyam took form in my mind. Every letter in this book is due to the grace of Lord Hanuman. It is not my greatness. Lord Ramas most favorite devotee was Lord Anjeneya. Lord Anjeneya is always in that place where the devotees sing praises of either Lord Rama or Lord Hanuman.

Those who read this book will get all kinds of prosperity. Those who read this book thinking of Lord Hanuman in their mind, they will get success in everything.

This is a translation of this book which I first wrote in Telugu. I am grateful to Shri Vasavi Printers Shrimathi and shri P. Jagadheesh. I pray that they always have the grace of Shri Subhramanaim. Shri Alamuri Sathydev and Shrimathi Parimalla helped a lot to get the first copy of this book printed, I am grateful to them. There are many people who helped in printing this book. I pray that the grace of Shri Subhramaniam is bestowed on all the people who help publish this book, those who read it, do the vratham, listen to the stories.

## Sri Ananda Anjeneya Vratham First Story

Lord Anjeneya loves his devotees a lot. He always protects his devotee. If you remember Lord Hanuman, all fears will vanish. When the mind is full of anxiety, if you remember Lord Hanuman once, the whole mind will become calm and peaceful. Lord Hanuman is all powerful, brave, affectionate and humble. Those who always pray to Lord Hanuman all the tasks or projects they undertake are successful.

In olden days in a Village called Venkat Puram, there lived a poor Brahmin called Rama Sharma. He was a Rama Bhakta and always chanted Lord Rama's name. He also prayed to Lord Hanuman who is Lord Rama's favorite devotee. Although Rama Sharma was poor due to his bad karma from a previous birth, he always saw Lord Rama in everyone and was very righteous. He conducted functions and pujas as a priest in the villager's houses. He also went to the neighboring villages to conduct functions and pujas. This was his livelihood.

One day the Zamindar in the neighboring town Sita Rama Puram, asked Rama Sharma to come and conduct a house warming for him early in the morning. He had to travel 4 hours across a forest to get there. Going through the forest during night was very dangerous due to the wild animals there. So Rama Sharma planned to start in the afternoon and reach there by evening. After the housewarming he can begin in the afternoon and get home by evening again. This was his plan.

When he was about to start at 1:00 in the afternoon, after having meals, he got a message from the Zamindar of Venkatpuram to come, since he needed some advice. Now it will get late for him to start for Sita Rama puram after talking to the Zamindar. But if he did not go to the Zamindar, the zamindar will get angry. If the zamindar is angry with him, even the small priest works he was getting will not be available to him anymore. Thinking this way and having faith in Lord Rama he went to the zamindars house. When he reached the zamindars house the zamindar went out on some important work. Now Rama Sharma was even more worried, when will the zamindar come? When will I talk to him and start for Sita Rama puram? When will I be able to reach?

At 4 in the afternoon the zamindar came home. After coming he went inside the house and came after 1 hour. He asked Rama Sharma to see the horoscope of his daughter since he is looking for matches. Rama Sharma saw the horoscope and said that it was good and she would get married soon. By the time all this happened it became 5 in the evening. Then he ran home. His wife said that it is dark, how will you go to Sita Rama Puram now? Rama Sharma did not want to lose the Rs. 4. They would give him, so he said that I will go, Rama is there to take care of everything. His wife just told him to be careful.

Rama Sharma remembered Lord Rama, packed everything he needed for the house warming, took his bag and started from the house, after some time he reached the forest area. It was very dark and he could not see the way. He could hear an owl shouting. Rama Sharma felt afraid. He remembered Lord Hanuman. Lord Anjeneya is the savior in any difficult situations. He was chanting Lord Hanumans name loudly and walking forward. A little distance away he saw a serpent, it was hissing. He just stood and Prayed to Lord Hanuman and then prayed to the snake. Immediately the snake went away.

Rama Sharma started walking again, when there was only 10 minutes to get out of the forest a big leopard jumped in front of Rama Sharma. Rama Sharma was shocked. The leopard was looking at him and it seemed it could jump on him any moment. He was terrified. He prayed to Lord Hanuman "Oh Anjeneya!! Pavan Putra!! Shri Rama Dhootha!! I have no savior but you. You killed several rakshasas in Lanka. You found where Sita is. Please save me from this danger. "

Immediately Lord Hanuman came to rescue, a big monkey came making a loud noise from the tree. It jumped on the leopard. The monkey was shining with a divine luster. It did not look like an ordinary monkey. It started scratching the back of the leopard with strong nails. The leopard ran into the forest, in order to escape the monkey. Immediately the monkey got on top of a tree and vanished. As it vanished a divine light was seen.

Rama Sharma understood what happened. He realized that Lord Hanuman himself came to help him. Then he felt brave and went to Sita Rama puram and did the housewarming successfully. He then started immediately and reached back home in the evening. He told everything that happened to his wife. The husband and wife gratefully prayed to Lord Hanuman.

Those who pray to Lord Hanuman who is Ramabhakta, get all kinds of prosperity. Any kind of disease will go away. That Lord is very brave and strong. If you do remember his name once any kind of ghosts and spirits don't come close. Those who remember Lord Hanuman

Second Story  
Story of Vishnubhattu**

In olden days in Kalinga region there was a village called Krishna Puram. In that village lived a poor Brahmin called Vishnu Bhattu. He was not very educated but, served as a priest in the village. He was handicapped from birth and earned very little it was tough for him to maintain his family with what he earned. He felt bad

about his poverty. He always prayed to god to bring him out of these difficulties. There was a Abhaya Anjineya temple in his village. That temple was very ancient and the lord there was very powerful. The temple was famous in all the surrounding villages and towns too. Every year in that temple many nice festivals took place. During these festivals many people came from the surrounding regions. They traveled long distances on bullock carts, along with family and friends to come for the festival. During the festival time the whole village had a very festive atmosphere. The temple was decorated very nicely with colorful flowers.

Like every year that year too, the festivals were going on in a grand scale. Every day there were several pujas done for Lord Hanuman. In the evening the devotees sang melodious Bhajans in the temple. Every day great Hari Katha artists would come and tell Hari Katha all night beginning at 10 pm at night. All the devotees were rejoicing listening to the miracles of the Lord. That day was Tuesday and the Lord was decorated with a bright Chindhooram (orange powder used in Lord Hanumans worship). The Lord was glowing with rare and divine lustre and all the devotees were amazed, looking at him. Lord Hanuman loves his devotees. If we remember the lord when we face difficulties, immediately the danger or difficulty will vanish. If you undertake a task, if you pray to Lord Hanuman the task will completed victoriously. If one is suffering from diseases, by praying to Hanuman daily they will get rid of the disease.

Vishnu Bhattu was also taking part in all these programs in the temple. He prayed to the Lord to remove his difficulties. He is already handicapped from birth, and recently he got a skin disease which was not reducing in spite of taking several medicines and visiting several doctors. On top it was difficult to provide for his family. He felt all this is due to bad karma from his past life.

One day evening in the temple he met a great pundit who came to conduct the pujas in the festival. Vishnu bhattu did Namaskaram to him and told his problems.

The pundit said “Son, I understand your problems. Everyone has to undergo punishment due to bad karma in the past. In your last life you were a priest in an Anjineya Swami temple 40 miles away from here. You did a lot of bad deeds. You did not follow the rules for being a priest. You went after women, stole and had many other bad habits too. Because of all those bad deeds you are going through these difficulties now. There is only one solution to this. For seven Saturdays, come early in the morning after a bath, clean the temple nicely. Fast the whole day. Spend the whole day in the temple remembering Lord Hanuman whole day. If you serve Lord Hanuman in this way all your past karma will vanish and you will get good results.” Vishnu Bhattu said “ I will do exactly as you said.”

Vishnu Bhattu started doing the fast and service to Lord Hanuman beginning the very next Saturday. Early in the morning, he took bath. Then he went to the Hanuman temple and cleaned the entire temple. Because he was handicapped, it felt difficult. He very determinedly stayed in the temple till night and then took the prasadam and went home. This way he finished 6 weeks. On the 7<sup>th</sup> Saturday, he had bath and went to the temple. The temple was very dirty due to the dried leaves that fell everywhere since there was a storm the previous night. He cleaned the whole temple. It became 2 in the afternoon by the time he cleaned the whole temple. He felt very tired and sat against a pillar in the temple. He fell asleep since he was feeling tired and weak. He went into deep sleep and got a dream. Lord Hanuman who was shining with divine luster came in his dream. While he was feeling happy about the darshan, He got awakened. One monkey came from the nearby tree. It touched Vishnu Bhattus back and ran away very fast. Vishnu Bhattu was still trying to understand what happened, and why the monkey came to him. Then he realized that his handicapped ness was gone. Even his skin disease was gone. He felt very energetic. He understood that this happened due to the grace of Lord Hanuman and Lord Hanuman himself came in the form of the monkey to help him. “Anjineya !! Ananda Swaroopa!! Bhaktha Vatsala !! Did you bless me after so long? I bow to you!! “ He prayed to the lord in many ways to express his gratitude. “Oh Bhaktha Paradheena !! Oh Ashritha Jana Rakshaka !! Accept my Pranamamms!! “ Later Vishnu Bhattu became famous as a good priest and earned a lot of fame and wealth too. His whole family lived happily praying to Lord Anjineya daily. They lived happily till the end.

Anjeneya loves his devotees and protects and removes their difficulties. Those who pray to him with a calm mind, he always takes care of them.

**Sri Ananda Anjeneya Vratham**  
**Third Story**  
**Story of Subbi Setty**

Anjineya is very strong and highly intelligent. He lives forever. He always protects his devotees. As soon as we remember him, He comes to us in some or the other form and gives us a lot of courage. He could come in the form of a bird to remove our fear. If you remember him faithfully he will come and help you.

In olden days in Andhra Pradesh there was a village called Dharmapuram. In that village there was a business man called Shubbi shetty. He started small businesses and luckily became very wealthy. He grew his businesses a lot. Although he looked like he has a lot of devotion towards god, he was very miserly. He would not take care of his servants well. If he had to donate 100 rupees to a temple. Till he earned 10 times that amount he would not give even a paisa in charity. In that village there was a great Anjeneya temple. Shubbi Shetty went to the temple every month. He would give 4 paisa to get archana done and get lots of prasadam so the whole family can have dinner. That day was Saturday, they were doing special pujas for Lord Hanuman. Lots of bhakthas were coming and having darshan. Shubbi Shetty came too. Like everytime he gave 4 paisa for archana and asked for a big packet of prasaadam. He started going home on his bullock cart. After going some distance, the Zamindar from that village was coming in a bullock cart. Shubbhi Shetty got down did namaskaram and asked him how he was doing. The Zamindar said that he got a message from the Savakar at Ramapuram which is 40 miles from here. He needs 100 Kgs of Toor Dal by next week. I wanted to come to you Shubbhi Setty and ask if you can supply 100 kgs toor dal. Shubbhi Shetty was very happy, he could not say a word. “That is a great sale” he thought. “I can make a lot of profit.” He told the Zamindar I will surely send it.

Shubbhi Shetty went back to his bullock cart but he was not able to contain his happiness. “100 Kgs, Lots of Profit” He kept telling himself. He reached home. Thinking about the sale, he forgot about Lord Hanuman’s prasadam. After reaching home, he told his wife about the sale. He ate and slept but was only thinking of the toor dal sale. “How much profit should I take per Kg? If I give a lower quality dal, I can make more profit.” He kept thinking and went to sleep. He completely forgot about the prasadam. In the morning after having bath, Shubby seth saw the photo of Lord Hanuman on the wall. He remembered about the prasadam. He looked in the Bullock cart. The prasadam was eaten by ants. There was none left. He felt sorry and went back in the house.

Lord Hanuman was angry that his prasadam was neglected. **In any circumstances, any gods prasadam should not be neglected.** The prasadam offered to gods has a lot of power. If we take that prasadam we get good health. Any kind of diseases vanish soon. Now since Shubbhi Shetty neglected Lord Hanuman’s prasadam, Lord Hanuman was angry with Shubbhi Shetty. The Lord thought due to his greed for money he neglected my prasadam. I have to teach Shubbhi shetty a lesson for doing so much paapam. After 4 days Shubbhi Shetty gave 100 kgs of Toor Dal in bags to a clerk and send them to Ramapuram in a bullock cart. After the bullock cart left the village and went some distance a big group of monkeys came and jumped in the cart. The driver felt afraid and got down and stood on a side. The monkeys attacked the clerk so he got down too. Then the monkeys tore the toor dal bags and threw the dal everywhere. Shubbhi Shetty felt very bad hearing what happened. He thought I lost so much money. Then Shubbhi Shetty’s businesses ran into a loss, he got a disease and was bed ridden. Then he died.

Due to the bad karma of neglecting the prasadam of Lord Hanuman he was born as a donkey and carried weights for his owner. The owner would make him carry weights even when his back was wounded. After undergoing many hardships he died and was born as a rat. Any bad thing done towards God hurts you for several lives. It does not leave you. Those who Lord Hanuman is angry on get a lot more punishment. Shubbhi Shetty who was born as a rat, kept running around in godowns and finally was killed and eaten by a cat. Then He was born as a sparrow. The sparrow kept flying here and there and finally reached Dharmapuram Hanuman Temple. There it remembered its past life and realized that it was undergoing all these difficulties due to neglecting Lord Hanumans prasadam. It thought I should make amends for my bad karma. It lived on the tree opposite the temple. After devotees ate prasadam and threw the disposable plates on the side, the sparrow would go and eat any left-over grains from those plates. It would fly in the temple and look for any grains of prasadam on the ground and eat it with its beak. After spending a year like this, one day he died due to a big storm.

Sri Anjeneya Swami Prasadham has that much value. Anything that has been offered to the Lord is equal to Amrutham. Those who take it reverently will get rid of all diseases. They will get new energy. They will not have any mishaps. All things they undertake will be successful.

**Sri Ananda Anjeneya Vratham**  
**Fourth Story**

In olden days in the region of Kalinga in a village called Ramapuram there was a great temple of Lord Rama. The idols of Rama and Sita there shone with divine luster. At their feet there was an idol of Lord Hanuman that looked very beautiful. Every year during the festival of Ramanavami these idols would be decorated very

nicely. Every day there would be singing of Hari Kathas in the temple. From the neighboring villages and towns many devotees came in bullock carts to participate in the festival.

Once for the festival a pundit called Vishnu Sharma from the neighboring village came. One day evening He told stories of Rama, during the story he explained about Hanmuan.

He said “ Lord Hanuman is very powerful, very brave, very strong and all knowing. There is no branch of knowledge or art that Lord Hanuman does not know. He is an expert in all arts and all forms of knowledge. He is pundit in literature. He loves his devotees a lot and also Rama devotees. He always protects his devotees. If we constantly remember lord hanuman we will not have fear or diseases and all our undertakings will be successful. Some Puranas say Lord Hanuman was born on the star Purvabhadhra and some say Swathi. Lord Hanuman likes bananas and mangoes a lot. He will be very pleased if you offer them as naivaidyam. Also He like chindhooram (An orange powder used in the worship of the Lord Hanuman). Lord Hanuman likes Tuesdays and Saturdays. If you pray to him on these days it benefits you and your family a lot.

If there is a Lord Hanuman temple in the village that village will not have calamities, The farmers there will have good crop and all the villagers will be happy. There will be no fire accidents. No evil force will dare to come near a village with a Hanuman temple. Not only people of that village but all the people of the neighboring villages and towns will be happy due to the grace of the Lord. “

To this one of the devotees said “We don’t have a hanuman temple in our village. We will all come together and build a Hanuman temple. “

To this Vishnu Sharma replied “This devotees thought is very good. If we are determined to do something good, the Lord always helps us. We will soon be able to have a grand Hanuman temple in this village. “

Immediately the weather became very cloudy. The sky was filled with the gray clouds. These clouds moved here and there and formed the shape of Lord Hanuman. All the devotees were overjoyed with the darshan. The lord looked nice with a flower garland in his neck and gold earrings and necklaces. He had a very beautiful smile on his lips. Then the devotees started singing “Oh Ananda Anjeneya!! Vayu Putra !!”

Then the form became small and started coming towards the ground with a lot of speed. It came into the temple premises and fell in the form of a small hanuman idol a standing pose. The idol was very pleasing to the eyes and the lord had a sweet smile. All the villagers came together and built a grand temple for Lord Hanuman.

Due to the grace of the Lord Hanuman all the people of the village lived happily. The lord here became famous, in the neighboring towns and villages for fulfilling the wishes of his devotees. People would come from far and wide and pray to the Lord to fulfill their wishes. Then they would come back with the family and offer prayers after the wishes are fulfilled.

**Sri Ananda Anjeneya Vratam**  
**Fifth Story**  
**Keshavpuram Hanumans’ divine story**

In olden days close to Shri Sailam, there was a village called Keshava Puram. The people in that village always lived with lots of happiness. They also were very united. All the people had jobs and lived comfortably. There was a great temple of Lord Anjeneya there. The Lord there was very powerful and was very famous among the

neighboring villages too. Many devotees prayed to the Lord there to fulfill their wishes. After their wishes were fulfilled they would come back with their family and have a darshan of the Lord again. The devotees believed that if they prayed to the Lord their faithfully any kind of problems will be resolved very easily.

One year there was a severe draught. There were no rains and no crop. The people were in difficulties. They were not able to maintain their families due to lack of income. One great Pundit came there from Kashi. All the villagers bowed to the pundit and asked for a way to get out of the difficult situation. The pundit closed his eyes and meditated. Then he told them. “I understand your troubles. There is a way to get good rain and crop and for all of you to live happily. Do a festival in the Hanuman temple for 3 days ending on the coming Pournami day. Lord Hanuman is very merciful and with his grace you will all be happy again.”

All the villagers there felt happy and replied “Swami you are all-knowing. You resemble Kashi Vishweshara (Lord Shiva) in divine luster. We pray to you to please stay in our village for a few days and conduct the festival with your hands.

The pundit agreed to their request. In four days Thrayodhashi came. For these 4 days the pundit stayed in the Hanuman temple. Every evening he would explain Lord Hanuman’s greatness very nicely. The devotees were overjoyed listening to those stories. On the day of Thrayodhashi they began the festivals very grandly. They decorated the temple with a lot of flowers and the trunks of Banana plants. On every side there were colorful flowers and the bhakthas felt very happy seeing all the decorations. Along with the priests of the temple the Kashi Pundit was also getting ready to conduct special pujas. The devotees were getting ready to watch the pujas with concentrated mind. There was a wind storm. All the decorations were swaying. If it would go on for 30 more minutes all house roof tops of the devotee’s houses, would fly away. All the devotees witnessing the storm were very worried. No body understood what to do. All of them prayed to the Kashi Pundit.

Kashi Pundit told them “All of you don’t need to fear; the Hanuman that we all pray to is the son of Vayu. All of you pray to Lord Hanuman and Vayu will become calm.”

All the devotees started praying to Lord Hanuman. Some sang songs about the miracles of Hanuman while dancing nicely. Some sang hymns or stotras. Some did Bhajan. After a few minutes the storm subsided. The devotees were happy for getting the grace of Lord Hanuman. Then Lord Hanuman appeared there and gave darshan to the devotees. The devotees were overjoyed with the darshan. The darshan lasted for 1 minute. All the devotees conducted the festival very nicely with lot of devotion for 3 days. On the day of Pournami in the evening it rained very nicely. Everybody thanked the Kashi Pundit for conducting the festival so grandly. Then he left and all the villagers went to the border of the village to say goodbye. The villagers thought that Lord Hanuman himself who is a form of Lord Shiva sent that pundit to help the Villagers.

In the next few days they got good crops and were happy. From then in month of Kartika they conducted the festival grandly for 3 days in the Hanuman temple. With the grace of Lord Hanuman those villagers were very happy. Not only the villagers from Keshava puram but people from the neighboring villages too prayed to the Lord Hanuman there and lived happily.
